Cv Keihin Carburetor Tuning Manual

Keihin carburetors are only legal in California for racing vehicles, which may never be driven on public highways or waterways. Keihin carburetors are designed to be used with normal pump gasoline. Fuels that contain over 10% alcohol content may damage parts in the carburetors. This may prevent the carburetor from functioning properly.

Carburetor Tuning | Keihin North America

FCR tuning manual is a lot better than the ones I wrote before I did my stint as a technician at Factory. Thank you, Marc. After attending some AMA road races over the last few years as a dynamometer operator for Factory Pro Tuning and mechanic for Ricci Motorsports, and having the opportunity to talk with lots of racers, I've
