Intersections : Readings in Sociology (Custom) 07 edition ...

The analytic lens of intersectionality is valuable here because it allows us to consider a variety of social forces simultaneously, whereas a class-conflict analysis, or gender or racial analysis, would limit our ability to see and understand the way privilege, power, and oppression operate in interlocking ways.

Intersectionality - Definition and Discussion

Intersectionality is a framework for conceptualizing a person, group of people, or social problem as affected by a number of discriminations and disadvantages. It takes into account people's overlapping identities and experiences in order to understand the complexity of prejudices they face.

What is intersectionality, and what does it have to do ...

www.intersectionsreader.com: The new Intersections online BookBuild system offers instructors a quick and easy way to build a custom sociology reader and generate an ISBN. The site allows the professor to view many of the readings in their entirety on-line and also view the apparatus created to complement each reading.
