Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

Language In Use Intermediate Classroom

Review 'Language in Use is a good, solid course and will appeal particularly to those students and teachers who enjoy an overt approach to grammar, and will appease those of us who feel that vocabulary has been somewhat neglected in other courses.

Language in Use Intermediate Classroom book (Language in ...

For that reason, most students are at an 'intermediate' stage, which is also the most difficult to teach. Language is a performance, like sport or music - you don't only 'know' a point of grammar or the word for a certain object or action, but you can apply it in a setting to perform a communication or expression task.

Language levels - beginner, intermediate, advanced ...

Classroom language is the language which could be used inside classrooms. It could be English or Hindi etc. The most prominent factor is that in which language the students are comfort with. The student should understand the language which teacher speaks.

What is a classroom language? - Quora

Strategy 4: Validate home language in the classroom. Some parents resist early childhood programs that promote bilingualism. English-speaking families may think that if teachers are using other languages, they're sacrificing instructional time in English. Research shows, however, that exposure to another language can enrich children's ability ...

Language in Use Pre-Intermediate Classroom Book by Adrian Doff

What? The use of target language refers to all that learners say, read, hear, write, and view – production and reception of language on the part of learners, educators, and materials. ACTFL recommends that learning take place through the target language for 90% or more of classroom time except in immersion program models where the target language is used exclusively.

Use of Target Language in Language Learning | ACTFL

Ask your kids to think about whether they'd use that language in other situations. "I've had them to call home and quote themselves," Steven W. says. If they wouldn't use those words with their parents, they shouldn't use them in the classroom. Try coming up with curse word alternatives.
