How do I take anastrozole on a cycle and how much?

I'm a 32-year-old guy and I had my annual physical yesterday, done by the nurse practitioner at my doctor's office. The exam was routine until she told me to lie back and place my feet into the stirrups. That was a new one for me. She gave me a rather thorough genital exam AND a rectal exam while I was spreadeagled naked like that. Of course, there was a bright light to be sure she didn't miss ...
