Many procedural codes may get deleted or modified. All medical providers will be impacted. Let us look at the significant coding changes that will have a bearing on cardiologists in 2013. As part of the 2013 Medicare Physician Fee Schedule Final Rule, the Centers for Medicare and Medicaid Services (CMS) bundled several codes for payment. The work related to the placement of a stent in an arterial branch has been bundled into the base code for the placement of a stent in an artery.
