An added layer. All the three characters spider,moth and the flower are white in color, in the poem. The white spider is on a white flower which makes the spider invisible. While the moth which is also white and had a good chance of being invisible if it were day had to fly to that very flower, in the night which makes it visible and an easy prey? Questions like "What had the flower to do with being white?

THE WHITE SPIDER, MOTH AND THE HEAL ALL. - Meraki

As I get out, juggling my purse, l-phone, work phone, keys, I'm elasta-girl trying not to hit the Mercedes with my door. After and possibly during these early acro acts of the morning, I notice a lone white spider clung onto the driver's side-view mirror. I tried to blow it off and it wouldn't budge...I took it as a sign.
