Here, so many years later, I had forgotten I wanted to read up on Mr. Havel, and here I read selected writings picked from his open letters. For those who don't know, Mr. Havel was a young playwright in the 60's who became a "dissident" as the Soviet Union took Czechoslovakia under the umbrella of their Soviet bloc.

Open Letters: Selected Writings, 1965-1990 by Václav Havel

Open Letters will round out the picture these other works give us of Václav Havel as dramatist, writer, thinker, and future statesman. The problem, however, was that many of Havel's major essays and articles had already been translated and published, and some, like "The Power of the Powerless"—Havel's most penetrating analysis of the totalitarian system and how people resist it—had been widely reprinted.

The Power of the Powerless (Czech: Moc bezmocných) is an expansive political essay written in October 1978 by the Czech dramatist, political dissident and later politician, Václav Havel. The essay dissects the nature of the communist regime of the time, life within such a regime and how by their very nature such regimes can create dissidents of ordinary citizens.
