Although the Business had released their first single in the early '80s, Welcome to the Real World, their third proper studio album, didn't hit the shelves until 1989, long after the Oi! punk scene had its initial brush with success on the U.K. indie charts. Released at a time when industry support for real punk was at its lowest ebb, this is ...

The reason I thought the idea of my story becoming a real novel would be possible was because "Welcome to Drama Academy" didn't really have anything to do with the Twilight plotline. First, there are no vampires in my story, and the Bella and Edward in my story are different from the Bella and Edward in the Twilight series (Edward being a playboy and Bella being athletic and outgoing).
