Compact and versatile, the X-POT Compact® was specifically designed for smaller commercial heating and cooling water installations up to 9,130 gallons and 150 psi working pressure. The X-POT6® works well with many system sizes and contains six rare earth magnets encased within a stainless steel magnet grate for easy removal and cleaning.

X-POT - Skidmore

The X-POT Range. The X-POT Range originates from the X-POT Compact, a 5 in 1 alternative to a air and dirt separator, magnetic filter, side stream filtration unit and dosing pot. All X-POT's benefit from having the mentioned components built in to what looks like your traditional dosing pot and is finished in 304 stainless steel.
